

# Nordkalk Lappeenranta, instructions for visitors

**Before the visit:**

1. Watch safety training video well before hand of your visit in following address: [Access to Nordkalk's plant areas - Nordkalk](#)
2. We require personal protective equipment also from our visitors. Always use Hi-Vis colour jacket or vest at all our premises inside the gates. If your visiting production facilities or areas, use in addition to safety jacket or vest, helmet with a chin strap, hearing protectors, eye protection and safety boots. If necessary, we can borrow all the safety equipment from the main gate.
3. The host of the visit will send the information regarding visitors to the gate.

**At the beginning if the visit:**

1. Notice, that there's zero tolerance against alcohol and tobacco products inside the gates.
2. Notice, that the time of blasting in the quarry is at 13:54 on working days. Traffic is limited during blasting, and it will be warned using siren and light signals. You can see from the instruction on the area is there a blasting on that current day.
3. Arrive to the main gate slightly before the agreed appointment. Address is Sementitie 29, 53650 Lappeenranta. Notice! Parking is done by reversing.
4. By signing the access permit document at the main gate (open between 7-15), you can receive a personal access permit to the area. At the same time, it will be checked have you watched the safety video.
5. Borrow the safety equipment from the gate if needed.
6. If you arrive by car, the visitor parking lot is on the middle section beside the Nordkalk office building. Notice, that traffic is one way beside the office building through the parking lot, and parking is done by reversing. Follow the speed limits in the area, there's lots of heavy traffic!

**After the visit:**

1. Return the access permit and borrowed safety equipment to the main gate to the same place where you received them when you arrived here.

**In case of an emergency:**  
Stay with your host and follow the instruction you are given

Emergency number: 112  
Address in case of an emergency:  
Nordkalk Lappeenranta, Sementitie 29, 53650, Lappeenranta

Use the agreed safety equipment and inform us openly on safety observations during the visit.  
Have a safe visit!
